Minutes of July 9, 1973 - Lafayette Improvement Association

Minutes show that Jim Polk called and that Spencer Sealander was absent.

The meeting was called to order at 8:10. The minutes were approved as written.

Treasurer's Report:
Checking: $710.92
Savings : $1710.53
$1820.08

John Tatum reported the cost for the membership drive and general Meeting was $1296.95; Poster contest $291.21. We have accepted 397 memberships this year. $224.00 were spent for ads for the newspaper and John asked us to consider whether they were worthwhile for next year.

Committee Reports:

Homeowners and Business: Will consider paving on west end of town with tenents and land owners involved.

Lloyd Townley mentioned the question of Open Space and said there are petitions around asking the city council to put on the ballot an open space bond. A firm definite program on the question will be presented to the City Council on the 25th.

City Council: Geo Wasson reported that the World Savings Bank would have to soften the impact of their building and that there was alot of discussion about traffic but that the hard corner was approved.

Communications and Public Relations: Dave Goodwill said we would put our meeting date on the Sun's Community Calendar.

Hourse: Tom requested that the Dramateurs take down the curtin which hides the heater because it gets too hot and is dangerous. (Note: as we were talking, the curtin came down!)

Celebration '73 Committee - Sue reported that there will be a party before the Sept. 28th show and that LIA will take all 193 tickets to sell. Charlie Luna will do the printing.

Operation I. D. - Bob Kramer met with Tim McAllister will give us free ads and the J. C's will continue to support the program.

Mr. Dick Dobell and Mr. Bill Whelen were at our meeting to speak to the question of Tennis Clubs in Lafayette. The City is to clarify tennis clubs permitted use;private recreational use; private, public or membership owned?

Mr. Dobell feels there should be permitted use allowed, profit making use , in every zoning area, considering each use individually.

Mr. Whelen feels our own homes should be protected and that it is a question between commerialism and non-profit.

Thursday, July 12, is a hearing on City Ordinance Section 6-783. Tom Cleveland moved we get involved in this ordinance before the Planning Commission. Marv. seconded. It was felf we should just really listen. Bob Gilliland will attend for us. Don Young feels we need more definite general land us plans from the city.

Tom Cleveland will serve on a special committee on transportation.

Frank Sturgeon will get the most recent map of Lafayette and the zoning for our use. $10.00 can be spent.

The meeting was adjourned at 10:20.
